## Press Kit ITB 2025

Das Bauhaus Dessau Bauhaus building in Dessau

Saxony-Anhalt offers great reasons to visit in 2025: The "100 Years of Bauhaus Dessau" anniversary and the idyllic Garden Kingdom of Dessau-Wörlitz, one of Saxony-Anhalt's "Garden Dreams," or you explore the state on one of Germany's most popular cycle routes, the Elbe Cycle Path. The decentralized state exhibition "Gerechtigkeit 1525" (Justice 1525) commemorates Thomas Müntzer and the 500th anniversary of the German Peasants' War, while the interactive film app Set-Caching is aimed at young audiences and immerses visitors in the spectacular locations of films such as Monuments Men, Räuber Hotzenplotz, and Bibi und Tina. You can find even more exciting topics in our new press kit.
